FINANCIAL AID

tcl.edu/financialaid

CHECK YOUR EMAIL

After you submit the FAFSA, it will take approximately 7 to 10 business days for the TCL Financial Aid Office to receive your information. **Once received, we will immediately contact you via your TCL student email account.** (See page 6 for account information and setup.) We will include your award notification (an award letter) or request additional documents. For example, we might request copies of tax return transcripts, W-2s, or a form from our office. Please check your TCL student email account often, or visit our office! We're here to help.

IF YOU ARE SELECTED FOR VERIFICATION

TCL is required to verify certain information provided by a student or parent (if dependent) on the Free Application for Federal Student Aid (FAFSA). Applications requiring review are flagged by the US Department of Education and the student will be selected for verification.

Students will be notified via their TCL student email concerning verification requirements. The type of documents required for submission will vary from student to student. Please note that using the IRS Data Retrieval Tool to populate your FAFSA tax information will make the verification process more efficient because the tax information will be verified by the IRS Data Retrieval.

Upon completion of verification an award change could occur. Your expected family contribution (EFC) could increase, decrease or remain the same. A change in EFC could have an effect on federal/state grant eligibility and student loans.

We encourage students and/or their families to submit all documents to the Financial Aid Office as soon as possible for quickest processing.

WHAT HAPPENS IF YOU WITHDRAW?

Students who withdraw from classes may need an R2T4 (Return of Title IV Funds) completed. TCL recalculates federal financial aid for students who withdraw from the college prior to completing 60% of the term in accordance with the Return of Title IV Federal Funds regulations. The recalculation is based on the percent of earned aid for the term. The percent earned is determined by the number of calendar days completed divided by the number of calendar days in the term.

When the R2T4 calculation results in students being eligible to receive previously undistributed "earned" aid (Post-Withdrawal Disbursement), they will be notified via email. Written authorization from the student will be requested and is required before a loan can be processed and disbursed to the student. The student may choose to decline some or all of the PWD funds as to not incur further debt.

HAVE QUESTIONS?

- 1) Speak with a representative by calling 843.470.5961 or visit us in person.
- 2) Visit the TCL Financial Aid web page at tcl.edu/financialaid to:
 - Learn more about other types of aid such as scholarships, loans, and tuition waivers.
 - Find financial aid forms and applications.
- 3) Visit Financial Aid TV (FATV) at tcl.edu/fatv. This online video service provides answers to all things financial aid in short 60–90 second videos.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Satisfactory Academic Progress (SAP) requirements must be met to receive financial aid. SAP is calculated at the end of each semester. It is important that students receiving financial aid understand that they **must meet ALL of the below MINIMUM standards** in order to receive their financial aid. Contact the Financial Aid Office for full details.

TO MAINTAIN A GOOD SAP STANDING, STUDENTS MUST:

- Maintain a cumulative 2.0 grade point average (GPA).
- Complete 67% of your credit hours attempted.
- Complete your degree within 150% time frame (i.e. an associate degree of 60 credit hours must be completed within 90 credit hours).

Once you reach or exceed the 150%, you may no longer receive federal financial aid at TCL. This includes Pell, Loans, VA Benefits and other federal grants and Title IV funds.

ACADEMIC ADVISING

tcl.edu/advising

Academic Advising ensures you are choosing the right classes based on your program's curriculum. Your Navigator and faculty advisor will help you plan your semester course schedule and help you decide which classes you'll need to register for. Advisement sets you up for success and timely graduation.

✓ MEET YOUR NAVIGATOR AND/OR FACULTY ADVISOR

Your Navigator will help you with career planning, academic planning and registering for the first year, and will guide you with creating the best possible financial decision to help finance your education. Your faculty advisor will help you with registering for your remaining courses and will determine your eligibility for graduation.

Every student is assigned a Navigator and faculty advisor based on the program of study you have declared. You can obtain contact information for your Navigator and faculty advisor in your Navigate account. Log in to TCL Navigate and select Appointments, and then My Team. Contact your faculty advisor to set up an appointment for advisement.

HOW TO PREPARE TO MEET WITH YOUR NAVIGATOR

- Visit tcl.edu/registration.
- Meet your Navigator and learn more about the HUB at tcl.edu/the-hub.

Remember that the "Planner" in Navigate is only a tool and is not an official graduation audit. Students should always refer to the college catalog with questions regarding their degree and major requirements. Program Evaluations do not replace your faculty advisor and always consult your faculty advisor for confirmation of all degree requirements.

Download the mobile Navigate app from the Apple or Google Play stores.

THE HUB

The HUB is your one-stop shop for career counseling, academic advising and financial literacy information.

The HUB is located in Building 2 on the Beaufort Mather campus and at the New River and Hampton campus.

RESERVE BOOKS FIRST DAY COMPLETE PROGRAM

Barnes & Noble College and TCL are partnering to bring students First Day Complete (FDC), an innovative, cost-effective alternative to purchasing books. First Day Complete is an all-inclusive program which offers all students full access to textbooks for a per credit hour fee per semester. FDC is an initiative designed to provide students with all required course materials at the lowest cost and on the first day of class. Textbooks are considered rentals which students return at the end of each semester. All students, both full-time and part-time, are included in the program. All student orders are fulfilled with print and/or digital materials based on their schedules and faculty adoptions. These orders are available for in-store pickup or shipped directly to the student based on their preference. We are extremely excited to offer this program to TCL students, as it allows us to provide discounted, first-day-of class access to their required course materials.

For more information and for FAQs, visit tcl.edu/first-day-complete-textbook-program.

Keep an eye out for an email from the TCL College Store each semester with instructions on how to reserve your books.
