

TEAS RESOURCE GUIDE

What is the TEAS?

The ATI TEAS, or Test of Essential Academic Skills, is a standardized test created specifically to assess a student's preparedness for entering the health science fields. Questions are designed to test the basic academic skills you will need to perform successfully in the areas of: Reading, English and Language Usage, Math, and Science. Students testing on or after June 3, 2022 will use the ATI TEAS, Version 7.

What does the TEAS exam consist of?

The ATI TEAS test is comprised of:

- 170 questions, formatted as both multiple choice and alternate-type items
- 150 scored questions and 20 unscored pretest questions
- 209 minutes to complete the exam

The number of questions in each content section and subsection may be viewed here: ATI TEAS Version 7 Exam | ATI (atitesting.com)

How should I prepare for the TEAS exam?

ATI, the official provider of prep for the exam, recommends that you allow yourself at least six weeks to prepare for the exam. There are a variety of prep resources available below to help you study for the test—all aligned to the ATI TEAS, Version 7 and packed with thousands of practice questions based on the content and format of the actual exam.
