UNWAVERING.

DEAR FRIENDS,

As we reflect and look ahead, we celebrate **THE UNWAVERING SPIRIT OF TCL**. We remain committed to elevating the students and communities we serve and are deeply grateful for the dedication of our partners and supporters. Together, we drive regional prosperity and transform lives.

UNWAVERING STUDENTS

Students are at the heart of our mission. Through affordable tuition, robust scholarships and comprehensive support services, we empower them to achieve their goals. Our students rise to the challenges of balancing work, family and education. Their resilience keeps them on the path to earning a college degree and securing a better career.

UNWAVERING GRADUATES

At TCL, our commitment extends beyond graduation. We equip graduates with real-world skills to thrive in a competitive job market. With a 95% graduate placement rate, TCL ensures success, and many alumni stay local, strengthening our community and driving economic growth.

UNWAVERING EMPLOYEES

Our employees are the backbone of our success. Their passion and dedication shine in classrooms, offices and across our five campuses. By prioritizing professional development and workplace wellness, TCL empowers faculty and staff to continue to innovate and inspire.

UNWAVERING EMPLOYERS

Employers across the Lowcountry rely on TCL's skilled graduates to keep their businesses thriving. Local employers help shape TCL's programs by ensuring our curriculum aligns with workforce needs, enabling graduates to secure high-quality, well-paying jobs.

UNWAVERING COMMUNITY

TCL's impact extends beyond its campuses, strengthening community ties through workforce development initiatives and events like career fairs, open houses and business seminars. Thanks to generous donors, we provide resources that enhance both program excellence and student success, creating opportunities for shared progress.

In summary, the college's many accomplishments are made possible by the dedication of:

- Our students, who work tirelessly to achieve their dreams;
- Our graduates, who carry TCL's mission into the workforce and community;
- Our faculty and staff, whose passion and innovation inspire excellence;
- Our area employers, who hire and advance our graduates and
- Our community partners, who believe in our vision for a stronger Lowcountry.

This collective dedication fuels TCL's impact. Together, we are unwavering.

Sincerely,

A handwritten signature in blue ink that reads "Richard J. Gough". The signature is fluid and cursive, with a long horizontal stroke at the end.

Richard J. Gough, Ed.D.
President

UNWAVERING. *PURPOSE*

TCL'S VISION

To elevate each student and every community we serve through transformative technology and exceptional teaching.

TCL'S MISSION

To provide accessible, high-quality academic education and workforce training to serve the needs of individuals, businesses and industries in Beaufort, Colleton, Hampton and Jasper counties.

ACCREDITATION

Technical College of the Lowcountry is accredited by the **Southern Association of Colleges and Schools Commission on Colleges (SACSCOC)** to award associate degrees. Technical College of the Lowcountry also may offer credentials such as certificates and diplomas at approved degree levels. Questions about the accreditation of Technical College of the Lowcountry may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

In addition, the college offers many programs that have specialized accreditation and approvals from state, regional and/or national professional associations and boards.

STUDENTS FIRST: At Technical College of the Lowcountry, we are unwavering in our commitment to helping students succeed. We help students find the right career path along with fast and flexible courses so they can continue in a strong and steady way. **LEARN MORE:** www.tcl.edu/unwavering

UNWAVERING. OPPORTUNITY

TCL Early childhood education students, shown here with Instructor Kelli Boniecki (left), created customized lesson plans last fall for the United Way of the Lowcountry's Play Partners Program. The early literacy program supports literacy in Pre-K classrooms across Beaufort and Jasper counties.

"This partnership has given students the unique opportunity to not only develop their own resources for future classrooms but also give back to the community in a meaningful way."

Kelli Boniecki

TCL Early Care & Education Instructor

City of Hardeeville officials presented a \$150,000 check to TCL last December to go toward the construction of the college's Arthur E. Brown Regional Workforce Training Center to be built at the TCL New River Campus.

"The Training Center gives our residents opportunity and our community the training and the skills needed for the jobs that are coming."

Mayor Harry Williams

City of Hardeeville

Whale Branch Early College High School (WBECHS) students took some time last September to recruit fellow students into the TCL dual enrollment program, which allows students to earn both high school and college credit for the same classes.

"Dual Enrollment provides an amazing opportunity for high school students to jumpstart their college journey and gain valuable skills for their future."

Giovanni Glover

WBECHS Dual Enrollment Specialist

UNWAVERING. ACTION

Year-in-Review

TCL PLACES IN TOP 100 IN NATIONAL CYBERSECURITY COMPETITION

TCL made the top 100 “power rankings” in late 2024 for its performance in a national cybersecurity competition which included teams from both community colleges and four-year institutions from across the country. TCL’s team was ranked No. 75 out of the 476 colleges and universities that participated in the National Cyber League’s “ethical hacking competition”—or the legal practice of using hacker techniques to test systems for vulnerabilities.

REGIONAL WORKFORCE TRAINING CENTER GROUNDBREAKING DRAWS CROWD

TCL officials joined representatives from state government and others in April 2024 to officially break ground on the Arthur E. Brown Regional Workforce Training Center.

TCL held a groundbreaking celebration for the Arthur E. Brown Regional Workforce Training Center in April 2024 at the college’s New River Campus. The building’s namesake, retired Gen. Arthur E. Brown Jr., 93, was on hand for the event as well as Beaufort lawmakers, members of TCL Area Commission, Foundation Board of Directors, the S.C. Technical College System, community members, TCL faculty and staff.

When completed, the new facility will sit adjacent to the campus’ Angus Cotton Building and will add 50,000 square feet of space with a capacity for 850 students. New and expanded programs will include manufacturing, automated systems, logistics, business, computer technology and more.

KING ARTHUR BAKING COMPANY VISITS TCL, SPONSORS LIVE COMPETITION

TCL Culinary Dean Jacqueline Orak (left) congratulates Baking & Pastry Student Lauren Wood (right) for her grand-prize winning recipe — “Oscar’s Rum Cake” — in the “Tastes Like Home” Recipe Contest sponsored by King Arthur Baking Company.

The TCL Culinary Institute of the South hosted the King Arthur Baking Company last April for the first-ever “Tastes Like Home” recipe competition. The event was opened to area high school and current culinary institute students and held in conjunction with the CIS annual open house. The event drew record numbers and featured cooking demonstrations, tastings and presentations. Seven finalists competed but ultimately, Lauren Wood, a baking and pastry student at the Culinary Institute of the South, took home the grand prize. Wood received an all-expense paid trip to King Arthur’s baking facility in Norwich, Vermont, and her recipe for “Oscar’s Rum Cake” was published on King Arthur’s website.

LEARN MORE: www.tcl.edu/winner

TCL HOSTS ACCREDITATION COMMITTEE; UNDERGOES REAFFIRMATION PROCESS

After hosting a team of peer evaluators representing the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) last fall, TCL went on to make significant progress toward the reaffirmation of its accreditation—a process that colleges undergo every ten years. TCL expects to hear a final decision from the SACSCOC board later in 2025.

LEARN MORE: www.tcl.edu/SACSCOC

TCL GETS NEWER, LARGER PTA LAB

Physical Therapist Assistant students practice techniques in the new PTA lab space featuring more storage and this extra large mat table.

Students entering the fall 2024 semester of TCL's physical therapist assistant program were delighted to find a newer, larger lab space. Thanks to renovations on the Beaufort Mather Campus, the new lab in building 6, measures a whopping 1,443 square feet and features an additional extra-large mat table, a laundry area, extra storage space and office space for instructors. The new lab is part of a larger effort underway to improve and enhance classroom and lab space throughout the School of Health Sciences.

BCSD TIDES PROGRAM KICKS OFF AT TCL NEW RIVER CAMPUS

The inaugural Beaufort County School District Tides program is off to a strong start at TCL's New River campus. The new full-time dual enrollment option allows qualified ninth-graders to take college-level, degree-seeking courses taught by TCL instructors. BCSD Tides students can earn two associate degrees and a technical certificate from TCL in a variety of college and career pathways by the time they graduate high school. The district plans to expand offerings to the TCL Beaufort Campus in the fall of 2025.

LEARN MORE: www.tcl.edu/bcsdtides

TCL LAUNCHES NEW MULTI-CHANNEL "UNWAVERING" CAMPAIGN

TCL's Marketing and Public Relations team launched a new multi-channel campaign last spring featuring billboards, digital and print ads, mailers and other collateral. The planning and launch of "Unwavering" was timed to follow the announcement of TCL's new mascot - the Tides. A key aspect of the campaign is the word 'Unwavering' which is set against a background reminiscent of waves and paired with specific key messages. The overriding theme is that, like the Tides, TCL students are steadfast and unmoved.

LEARN MORE: www.tcl.edu/campaign

TCL students, alumni, faculty and staff celebrate the arrival of the long-awaited TCL mascot, King Tide.

KING TIDE: A TRULY NOBLE LEADER

King Tide, TCL's first-ever mascot, was unveiled earlier this year. His one-of-a-kind persona spreads pure joy, Tides pride and a true love of learning wherever he goes.

WHERE DID HE COME FROM?

No one knows for sure. He is a mystery wrapped in an enigma. But like all good mysteries, there are theories. Get the full story at www.tcl.edu/kingtide

UNWAVERING. STUDENTS

TCL Class of 2024

TCL recognized more than 300 students at its annual commencement ceremony held in May. Graduates received certificate, diploma and/or associate degrees from more than 60 programs of study including nursing, computer technology, early care and education, business administration, culinary arts and many more. Importantly, most of these new graduates will go to work in local hospitals, construction companies, small businesses and more right here across the Lowcountry. Also of note, 36 graduates were high school students who earned college degrees and certificates through the dual enrollment program, enabling them to graduate college before even officially graduating high school.

BY THE NUMBERS

- 313:** Number of Grads
- 61:** Majors Represented
- 36:** Dual Enrolled Student Graduates

UNWAVERING. COMMUNITY

Advisory Committees

GUIDING THE FUTURE WORKFORCE: The college's Advisory Committees provide invaluable input and professional counsel to a variety of programs and curriculum. Made up of local and regional industry, business, government and educational representatives, these experts act as a communication link between the college and the community to ensure ongoing program relevancy and graduate competency.

LEARN MORE: www.tcl.edu/advisory

"I enjoy collaborating with other local professionals to explore workplace trends and educational opportunities, linking classroom learning with real-world experience. Serving on the committee also gives me valuable insight into the programs being offered at TCL."

UNWAVERING. *SUPPORT*

The TCL Foundation

Established to serve the Technical College of the Lowcountry, The TCL Foundation is a tax-exempt 501(c)(3) organization and accepts contributions on behalf of the college. Like community colleges nationally, TCL relies on local support to advance its mission.

TCL is state-assisted—not state-supported—and receives 18% of its operating budget from the State of South Carolina. In order to keep tuition affordable, the college depends on generous philanthropic support to sustain and expand its facilities, academic programs, student support services and more.

Donor gifts are instrumental in allowing TCL to serve more students and graduate more skilled workers. Thereby, donors who ensure TCL's future also ensure a stronger local economy and better business climate.

LEARN MORE: www.tcl.edu/foundation

WAYS TO GIVE

- **The TCL Fund** empowers TCL to respond quickly to immediate or emerging education and workforce training needs of the Lowcountry.
- **The TCL Guarantors Program** helps deserving students faced with financial challenges to stay in school.
- **The President's Fund for Opportunity & Excellence** supports faculty, facilities, teaching supplies and instructional equipment.
- **TCL Scholarship** recognizes student financial need and merit in equal measure.
- **The Mather Legacy Society** includes donors who have named TCL in their estate plans or as a beneficiary of another planned gift or who create an endowment.

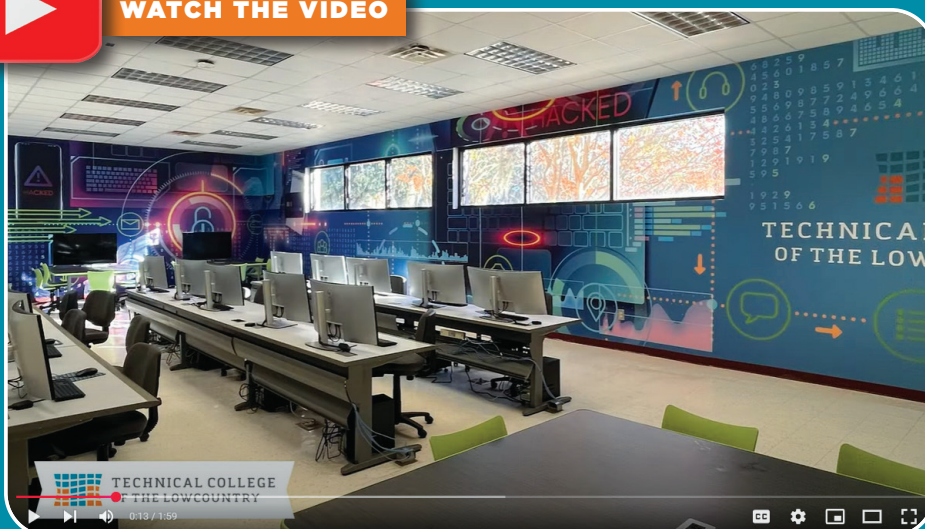

GIVE NOW: www.tcl.edu/give

Since 1968, TCL has empowered more than 89,000 students, transforming lives and communities across the region. From producing top-tier healthcare professionals and cybersecurity leaders to training skilled welders and head chefs, our programs drive success and growth. Your support fuels these achievements, shaping a brighter future for our students and the entire Lowcountry.

"As a physician and healthcare leader, I see the critical need for skilled healthcare professionals every day. TCL's health sciences programs help meet that demand. TCL's impact goes even further—through a multitude of programs, the college equips students from high school to retirement with the skills to strengthen the fabric of our communities. Serving on the TCL Foundation Board allows me to support and help expand that impact."

RECIPE FOR SUCCESS:

The 6th Annual Chefs Table Benefit raised more than \$210,000 to support TCL and the Culinary Institute of the South. Held last November at the Harbour Town Clubhouse at The Sea Pines Resort, the event brought together 300 guests for an evening of fine dining and community support. The sold-out event featured a five-course dinner and appetizer showcase prepared by approximately 18 Lowcountry chefs, special guests and CIS students. Special thanks to the event sponsors including Gallo Winery, The Sea Pines Resort, US Foods, South Atlantic Bank, Charles Sampson Real Estate Group and Alpha Graphics. Proceeds support students, faculty and programs across the college.

Faculty & Staff Donors

TCL SUPPORTING TCL: Each year, TCL Faculty and Staff join together in support of the college and give back. Faculty and staff choose to give to student scholarship, dedicated departmental funds, the President's Fund and to the Guarantor's Program—the college's Student Emergency Fund—just to name a few. Last year's annual Faculty & Staff Giving Campaign, "I Give," raised more than \$15,000 for TCL students and programs. Thank you to these generous employees for giving back and helping advance TCL's mission and vision.

SCHOLARSHIP IN ACTION:

Last August, several TCL nursing students were awarded Power:Ed Scholarships thanks to a grant totaling \$15,000 from The Hospital Auxiliary and Power:Ed. The Hospital Auxiliary has been a steadfast and generous donor to TCL for more than 30-years and recently celebrated 50-years of service to the Lowcountry! Power:Ed, the philanthropic arm of the SC Student Loan Corporation, is committed to helping students and making South Carolina stronger.

University Transfer

TCL's two-year Associate of Arts and Associate of Science University Transfer degrees are transferable in full to many four-year institutions in and out of the state. TCL also offers more than 80 individual courses that will transfer. The best news? TCL is a fraction of the cost. Start here; go anywhere.
