

Each state has different professional licensure and certification requirements. Students who are considering an academic program that may allow them to pursue professional licensure in their state are strongly encouraged to check their state's information below and contact the appropriate licensing agency to seek information and additional guidance before beginning a program outside of their state.

For additional considerations and information about other programs, visit [Licensure Disclosures](#).

Contact the Technical College of the Lowcountry (TCL) Nursing Program for more information.
